

# The Energy Transition

A Conversation with MassCEC  
and the BIC's Clean Tech Partners

Thursday, September 29, 2022

5:00 - 8:00 PM

Join the Berkshire Innovation Center and the Massachusetts Clean Energy Center to learn about local, regional, and state energy transition projects. We'll discuss funding sources for projects and also hear from the BIC's clean tech partners - SolaBlock, Sustaine, and IdleSmart - on their efforts to bring clean technologies to the Berkshires - and beyond.
