1. I’ve selected my student Intern(s). Why do you need to conduct an eligibility check? Since they are in the database, you have already been in touch with them.

MassCEC does not provide an eligibility check on Interns before a potential employer specifically requests the check due to the large number of student applications we receive every session.

2. Does MassCEC have any priority funding considerations?

MassCEC can support stipends for one hundred twenty-five (125) Interns during the spring and fall sessions and three hundred (300) Interns during the summer session. MassCEC will reserve thirty (30) spots during the spring and fall and sixty (60) spots during the summer for: (i) companies with an office located in a Gateway City; and/or (ii) students who live in Gateway Cities.

The reserved funding will be allocated on a first-come, first-served basis until the reserved spots are filled. Host Employers are still required to meet the eligibility criteria. If the reserved funding is not fully allocated by the Program start date, then the remaining funding will be assigned to waitlisted employers.

3. What are a Host Employer’s contractual obligations?

Host Employers will be required to accept the General Terms and Conditions of the Program when applying. Host Employers must also acknowledge the Award Letter with MassCEC. There is no explicit or implicit commitment on the part of any Host Employer to provide future employment for any Intern.

4. **The Cleantech Industry is competitive. I’d like to have my intern sign a non-compete agreement. Is there a policy for non-compete agreements?**

   Host Employers are not permitted to require or request that an Intern sign a non-compete agreement. Host Employers can use non-disclosure or confidentiality agreements to protect sensitive information.

5. **My Intern left mid-Internship. Can I still hire someone?**

   If a hired Intern terminates employment early during the Internship, the Host Employer can elect to hire a new Intern so long as MassCEC approves the replacement, and this process can be completed within **three (3) weeks** of the start date referenced in the initial offer letter. If the Host Employer does not want to or is unable to find another Intern within the three (3) week window, the funding will be awarded to a company on the waitlist.

6. **Does my Intern need to fill out a W-4?**

   All Interns must be paid on a W-4 / W-2 employee status to be eligible for Reimbursement. You must be able to provide proof of wages/taxes paid if requested in the form of paycheck stubs and/or a payroll summary.

7. **Is there a way to let the pool of candidates know whether I can hire international students?**

8. **Can I search for candidates in the priority populations, like community college students and students from Gateway Cities?**
