

Mass Solar Loan makes it easy for Massachusetts residents to obtain low-interest loans to fund the installation of solar electricity systems for their homes. For full details about the Mass Solar Loan program including technical requirement and available incentives visit www.MassSolarLoan.com.

The Mass Solar Loan program is only available through participating lenders. The following is the list of lenders that have agreed to participate in the Mass Solar Loan program. Maximum loan amounts and loan type can vary by lender and individual credit characteristics. Credit Unions may require you to become a member.
