responsibility. Visitor acknowledges that Visitor shall be responsible for payment of any such emergency transportation and treatment expenses and any related or subsequent medical bills.

6. Equitable Remedies. Visitor acknowledges that failure to perform any obligation or duty which Visitor agreed to perform pursuant to this Agreement may cause irreparable harm to MassCEC, which harm cannot be adequately compensated for by money damages. It is further acknowledged by Visitor that an order of specific performance or for injunctive relief against Visitor in the event of a breach of default under the terms of this Agreement would be equitable and would not work a hardship on the Visitor. Accordingly, in the event of a breach or default by the Visitor, MassCEC, without any bond or other security being required and in addition to whatever other remedies are or might be available at law or in equity, shall have the right to either compel specific performance by, or obtain injunctive relief against, Visitor with respect to any obligation or duty herein or breach hereof.

Thus, any documentary material, data, or other information received by MassCEC, including this Agreement, is a public record subject to disclosure. Visitor acknowledges and agrees that MassCEC, in its sole discretion, shall determine whether any particular document, material, data, or other information is exempt from or subject to public disclosure.
8. Severability. Each provision of this Agreement shall be treated as a separate and independent clause and any decision from a court of competent jurisdiction to the effect that any clause or provision of this Agreement is null or unenforceable shall in no way impair the validity, power, or enforceability of any other clause or provision of this Agreement.
9. Entire Agreement. This Agreement contains the sole and entire Agreement between the Parties with respect to the subject matter hereof.
10. Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth without giving effect to its conflict of laws principles.

By signing below, Visitor acknowledges that Visitor has fully read this Agreement and understands its terms, meaning, and legal impact, and that Visitor has given up substantial rights signing it.
